- Last year comparison

The image shows a user interface for selecting a date filter. At the top, there is a button with a calendar icon and the text "Last 7 Days" followed by a downward arrow. Below this, a dropdown menu is open, displaying several options. The "Last 7 Days" option is highlighted with an orange background. Other options include "Today", "Last 30 Days", "This Month", "All Time", and "< Custom". At the bottom of the dropdown, there is a section labeled "Compare to Previous" followed by a small box containing a horizontal line and a downward arrow.

Custom Date Filter

Choose a date duration. This can help you determine the reasons for:

1. Ranking spikes
2. Ranking drops
3. Penalties
4. Algorithm changes

The image shows a 'Custom Date Filter' interface with two calendar grids side-by-side for March and April 2018. The March grid has a large orange selection box covering the entire month (March 1st to 31st). The April grid has a smaller orange selection box covering the first six days (April 1st to 6th). An 'OK' button is located at the bottom right of the interface.
